

# Post-Secondary Educational Assistance Application

Date: ( YY | MM | DD )

--	--	--

First application submitted to post-secondary school/program?  Yes  No

---

General information and eligibility requirements.

## A. Eligibility

1. Students must have completed grade twelve or have their General Educational Development (GED).
2. The post-secondary program must require a grade 12 entrance. The program must be a minimum of 8 months in length.
3. Students must be enrolled and accepted to the university or post-secondary institution in a program of study.
4. Student's application will only be deferred if students do not apply before the application deadline or if the number of eligible applications exceeds the budget. This is in accordance to the rules and regulations set out in each administering organization's operations guidelines.

## B. Types of Assistance

1. **Tuition** – student's tuition will be paid. Students will receive funds for textbooks and supplies which are listed as requirements by the institution of study. We are not responsible for student registration fees or for late registration fees.
2. **Living Allowance** – allowances will not exceed the amount set out by the budget. Where students attend a foreign institution. This will not exceed maximum levels in Canadian funds.
3. **Travel** – students will be granted a travel grant, once every semester, if they are required to live away from their permanent place of residence. This is calculated to be equal to the return transportation of the student's permanent place of residency to the nearest post-secondary institution which offers that program the student wishes to study.
4. **Part-Time Students** – may receive assistance for tuition and the cost of books and supplies as noted above which are listed as required by the institution of study.

## Limits of Assistance

There are 3 levels of assistance.

**Level 1** – Community College and CEGDEP diploma or certificate programs. These programs must be 8 months in length.

**Level 2** – Undergraduate programs. These programs will lead to a degree. The programs are 3-4 years in length.

**Level 3** – Advanced or professional degree programs (Master's or Doctoral programs). These programs are 24 months in length.
